

CLEANING OF THE COTTAGE

The clients themselves are responsible for cleaning the cabin during their stay and at the end of it.

We expect that the client takes care of following matters:

- taking rubbish (including food, bottles etc) out,
- vacuuming and wiping floors with a damp mop,
- cleaning dishes (and emptying dishwasher),
- removing stains and dirt, wiping tables and surfaces,
- cleaning wc and sauna,
- taking goods and furniture in their places,
- making beds and airing bedclothes outdoors.
- The yard area and barbecue location must be left in a tidy condition.

If the final cleaning is not fully completed by the client upon departure, the owner has the right to charge the costs of cleaning afterwards.

It is also possible to book final cleaning in advance.

A separately ordered final cleaning does NOT cover dish-washing, returning table and cookware to their original place or garbage removal. Clients must also remove empty bottles and cans from the property and return any moved furniture to their original place. Any food must be taken away or to the waste disposal point.

HAVE A NICE COTTAGE HOLIDAY!
